Indian seeds industry

†553. SHRI SHREEGOPAL VYAS:
SHRI BALAVANT *ALIAS* BAL APTE:

Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that Multinational companies are consolidating their position in the field of Indian seeds industry;

(b) whether its consequences have been discussed with the farmers' unions and agriculture experts; and

(c) what is Government's policy in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI KANTI LAL BHURIA): (a) to (c) The requirement of the seed in the country according to National Seed Plan is 253.39 lakhs quintals, against which the availability of seed was 194.31 lakhs quintals in 2007-08. The share of Public Sector in making available/supply of certified/quality seeds in the country to the farmers is increasing as shown in the table given below:

(Quantity in Lakh Quintals)

Year	Government Agencies		Private including Multinational Companies	
	Quantity	%	Quantity	%
2005-06	73.67	52.43	66.84	47.57
2006-07	79.62	53.73	68.56	46.27
2007-08	111.59	57.43	82.72	42.57

Public sector has a major share in high volume low value seeds like cereals, pulses and oilseeds where as private sector seed industry dominates the high value low volume seed sector.

National Pharma Policy

554. SHRIMATI N.P. DURGA: Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether the draft National Pharmaceutical Policy has been finalized;

(b) whether the Group of Ministers has submitted its Report;

(c) if so, what are the major recommendations made by the GOM;

(d) how the above policy is going to rein in generic drugs which are now being sold to chemists and other medical stores more than 400 per cent of price of medicines supplied to them;

(e) whether it is a fact that Government has decided to set up National Institute of Pharmaceutical Education and Research in Hyderabad; and

(f) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI B.K. HANDIQUE): (a) to (d) Draft National Pharmaceutical Policy
